Aladin, Sheirazad, The Scheik, and the desert's conquerors propose you a night which is a real part of the *«1001 nights»*.

Let yourself be enchanted by our impressive Sahara's decor where an oasis will welcome you.

There, you'll find our charming Baladi dancers who will open the night.

After while, you'll meet treasures thieves trying to steal the Scheik's diamonds...

Les Événements **André Auger**
