THE NEXT GENERATION

Give your support to young artists and help them to persevere by hiring them for an entire show created by **"the next generation"**!

Songs, dances, humour, extreme sports, young people have plenty of talent and just asking for the chance to show you what they capable of !

Give them the chance to astound you!

We can create a made-to-measure show!

Different performances during dinner, between courses and why not open the dance with our complete band formed by young artists from 14 to 17 years old ?

The package may include :

10 minutes performances during dinner
Large screens, live video capitation, sound system
DJ (for 6 hours), band, entertainment.
